## 6<sup>th</sup> Annual Conference Meeting

15-16 September 2012

Kiev, Ukraine

*An important event had happened, a productive and successful get together it was!*

*A chance to let everyone know of each and everyone's effort and accomplishments. Deliberately calibrated for making the alliance effectively working and bonded despite of the time differences.*

*In today's fast-paced and highly competitive marketplace, it is important for an organization to be adaptable to change, to remain in the business. In saying so, the group is growing more complex and sophisticated.*
